YSB SleepOUT for Youth

November 28, 2019

Participant name _____

Did you know that every year there are:

- over 1000 homeless youth in Ottawa
- 65,000 homeless youth in Canada

Dear friend:

On November 28, 2019, I will be sleeping out to raise money and awareness for homeless youth in Ottawa. I hope that if I give up one good night's sleep, maybe someone else won't have to spend another night on the street. The Youth Services Bureau's SleepOUT for Youth is an amazing event that will support the services provided by YSB, and help provide critical funds and housing support for youth in need.

If you are able to sponsor me for SleepOUT, I would be so grateful. All contributions over $20.00 will receive a tax receipt.

Thank you!
